## EDUCATION

Sept 2023 - Present

### B.Tech Computer Science and Engineering

Vellore Institute of Technology, Bhopal

CGPA : 9.01

## SKILLS

- Programming: C++, Python, JavaScript, Solidity
- Web Development: HTML, CSS, Tailwind, React.js, NodeJs, ExpressJs, MongoDB
- Cloud Skills: AWS, Azure
- Databases: SQL, Oracle
- Platform: Visual Studio Code, Remix IDE

## PROJECTS

### Wink and Wear

June 2025 - July 2025

**Technologies:** HTML, CSS, JavaScript, ReactJs, NodeJs, ExpressJs, MongoDB, Multer

- Built a full-stack clothing e-commerce site with user auth, categorized product listings (men, women, kids), cart management, and admin panel for adding/editing products with image upload and tagging (e.g., summer, casual, ethnic).

### ScribbleAI

Jun 2025 - July 2025

**Technologies:** HTML, Tailwind, JavaScript, ReactJs, NodeJs, ExpressJs, MongoDB

- ScribbleAI is a full-stack AI-powered web application that lets users generate creative content and stunning images, manage credits, and upgrade via flexible plans. Built with React, Node.js, and MongoDB, it's secure, responsive, and feature-rich.

### D-Apps

Oct 2024 - Dec 2024

**Technologies:** Solidity, React.js, JavaScript, Ganache, Metamask, ether.js, Node.js

- Built a decentralized app (DApp) for secure patient data storage using Ethereum, Solidity. Enabled patient-controlled access, ensuring privacy, transparency, and integrity in healthcare records.

## ADDITIONAL INFORMATION

- **Data Structures and Algorithm:** Solved 250+ Problems on LeetCode and GeekforGeeks
- **Awards:** Ranked AIR 49 in Ninja Slayground 2.0 (21-Day Coding Challenge) – Coding Ninjas, 2024
- **Hackathons:** Made it into the final Round of Solvit-2025 Hackathon in domain of Business Operations and Management.  
Made it into the Final Round of Metaversity Hackathon 2025 in domain of Edtech and AI for Good. Into the Top 100 Teams among 4000+ Teams in Canara Suraksha Hackathon .
- **Certifications:** Foundation Level Threat Intelligence Analyst Certification – ArcX, 2024  
AZ-900 Azure Fundamentals – Microsoft , 2025  
AWS Cloud Essentials Certification – AWS Skill Builder, 2025
- **Leadership and ECA:** Coding Team Head – Robotics Club - VIT BHOPAL, 2024-2025
- **SPORTS :** Cricket (Arambh'24) and Kabbadi (Arambh'24)
